## G. A. A.

The goal of G.A.A. girls is to develop good sportsmanship while at the same time provide wholesome fun for participating girls.

There are twenty girls taking part in activities this year. Under the supervision of Mrs. Braaten, we meet every other week and enjoy such activities as tumbling, volleyball, swimming, basketball, and the trampoline. Awards are given each year and, of course, there are parties as well.

Senior G. A. A. members exit after their last meeting.
