The Drama Club on our Campus is open to all those students who gain satisfaction from the portrayal of characters, who wish to learn more about the mechanics of stage production, makeup and all related phases of play production.

Work in drama gives one the power to deeply stir the imagination and emotions of the audience, to transport them to realms outside of themselves. Acting is a cultural activity of great benefit to the participants.

The club has presented an original playlet to the visiting seniors from high schools in the area on Senior Day in April. Plans call for greater effort to present a full slate of one act and three act plays as our student body grows.

Music adds suspense to a dramatic moment as displayed by Ellis Thompson.
