Football In Action

The football team of this new college had a good season. They did not get an early start like the other colleges, but still got in three football games. The first game was with Itasca J. C. Clem Zach of Graceville, ran 90 yards on the first kickoff for the first touchdown. The second ^{kickoff} on a punt return after he raced 80 yards. Itasca J. C. broke the 13 to 13 tie with a touchdown and won the game 20 to 13. The second and third games were with Concordia College Freshmen and Mayville State College, both games were lost.
