

# *They Give New Outlooks*

*Listening and learning to take notes are an important part of education. Here JoAnn Solheim, Gilbert Jorve, and Gene Dufault work with a tape in the reading skills lab.*

*Straining and examining the cell parts of peas are these students from a general biology class. The men are Dusty Gilger, James Arvidson, Instructor Oslund, Ross Cota, and Garnet Beneke.*

*Clayton Oslund  
Biology*

*Milton Reimer  
Social Science*

*Robert Zimmerman  
Mathematics*
