

Politics, People,

Don Martodam casts his ballot in Choice 68. The students elected Nixon president by a slim margin.

Gerry Moritz, Senate president, discussed college problems with Rep. Howard Smith of the Minnesota House Appropriations Subcommittee on Education when the group met here in the fall.

Delighted with the outcome of the day's agenda, the members of the Student Senate and their advisers grin happily. Standing are Betty Brecto, David Hoff, and Dale Knotek, advisers. Seated: Peggy Lee, Ron Tobkin, Gerald Moritz, Anne Granitz, James Arvidson, John Heppner, and Richard Christenson, adviser.
