May We Help You?

Greeting new students, being hosts at events, and showing people around the campus are the main responsibilities of the sixteen members of the Host and Hostess committee. When a prospective student arrives, it is the job of a member to act as a guide and to answer his questions. As a group they have also been called upon to help at civic as well as campus activities.

To make the group identifiable, the Hosts and Hostesses wear maroon blazers with the University crest in gold.
