

# Music: It's Do-Re-Mi and One-Two-Three

Band members shown here are Director Flancher, Jim Bjerschbach, Kathy Ward, Kris Mathews, Judy Laude, Carolyn Peterson, Pamela Bearden, and Dawn Benoit.

The sounds of music, Yes, this year Tech has two hard-working music groups which, though small, have performed creditably under the baton of Leon Flancher. The band, limited by a dearth of instrumentalists in the college population so far, has made a joyful noise at pep fests and home games. The choir made its debut in a program of carols presented at convocation at the close of the fall quarter.
