

Some Try Aviation;

"Mother" Lyberg looks pretty skeptical about what is being discussed in Animal Science I. A purple cow, perhaps?

Ag students examine a drill and take down notes on how it works. *Below:* Curt Brekken, first student in Ag Aviation to solo, is congratulated by Glenn Moore, instructor, and Dr. Howard Wikoff, physician.

David Hoff
Economics and Farm Management

Dr. James Lofgren
Agronomy

Dr. George Marx
Dairy Science
