

On the Spring Scene

One of the Wednesday night Trojan Inn program series in April brought two Moorhead State College singing duos, Bob and Wes, and the Chantilly Deaux (TOP), to entertain. The coffee house, as it was called, continued through spring quarter. Need school supplies, greeting cards, T shirts? See Mary Williams, chief of the bookstore (ABOVE), shown serving Leo Kinney.

Ready, set, dig! These faculty, students, and honored guests took part in the ground breaking ceremony May 3 for Skyberg Hall, the new dormitory being built behind Knutson Hall. The busy cameraman was from an area television station.

The Collegiate Toastmasters Club gave Harland Hasslen, head of the Ag Division, a plaque in appreciation for his untiring labors as a leader and friend. The occasion was a dinner in his honor in late May. Gordon Anderson presented the gift. To the regret of all, Chairman Hasslen left Tech July 1 to assume a new post at Waseca.
