

Harmony and Sociability

Thanks to the directing of William Heimer and the cooperation of a few of his musicians from Fisher, Tech was able to develop a small band. It comprised, among others, John Reitmeier, Stephanie Arntson, Bernard Duffy, Mr. Heimer, Sonja Carlson, and Darlene Ramstad, **BACK ROW**; Kelly Cadwallader, Wesley Peterson, Howard Conneran, and Susan Hamrum, **SECOND ROW**; and Rita Stromstad, **RIGHT FRONT. RIGHT**, the choir in action.

Peter Janey warms up.

Clifford Strom of the faculty accompanied the singers at the Christmas concert.

The consensus is that this year's Christmas concert was the best ever. Much of the success the choir enjoyed is attributed to the hard work and enthusiasm of its director, Mrs. Eleanor Croone.
