

Educational Journeys

Men in Mr. Svedarsky's Introduction to Wildlife (**LEFT**) made excursions to refuges, parks, and areas near the campus to study plants, animals, and birds in their habitats. **Marilyn** Kuznia was an advertising class visitor at KTHI-TV in Grand Forks (**ABOVE**). **BELOW LEFT**, in a visit to the Morris campus, members of Mr. Tilleraas' class in animal science examined a waste material lagoon used for fertilizer storage.

They walked and walked. Fashion Merchandising sophomores flew to New York City and then pounded the pavements in their tour of the market. **ABOVE**, Lynn Hesby and Fern Moen visited with the fashion coordinator and personnel director from Macy's.
