Injuries Plague 1970 Gridders

Football for 1970 found the Trojans jumping off to a fast start by winning their first three games. Then the Coach's Nightmare, injuries, struck, and the team won only one of the remaining four games. Even with a 4-4 overall record, the best the Trojans could muster was a fourth-place conference finish. Paul Winkler was named to the Minnesota State Junior College Conference squad, and Mike Maresca was given an honorable mention.

tri-captains, 1970: Mike Maresca, Jim Johnston, Jack Muldowney.
