

There was nothing cold hearted about the Snow Days fun planned for Valentine's Day weekend. Everyone was in love with the outdoors, the white stuff, and the crisp weather. Mary Copp and Kevin Kopschke were a storybook pair as reigning king and queen. For the attendants the student body smiled on Bonnie Berglund, Wanda Christianson, Jerry Lee, and Jim Wiese. Broomball, snowmobiling, wrestling, and basketball crowded the sports calendar; a coffee house program, decorating party, and a dance, were among the social events. The Vets won the award for the best snow sculpture with "Support Your Team"; Stephens Hall took second with "We Love America".
