

# Offering a Medley of People

Late additions to the staff this year included Arnold Oliver, co-ordinator of special programs, BELOW; Gene Shannon, photographer, RIGHT; and Keith Johanson, campus policeman, FAR RIGHT, who replaced Charles Averill. UPPER RIGHT, freshmen wait to register at the registrar's office last fall. BOTTOM LEFT, this is what the spring thaws and rain did to the mall. No swimming, though, and no flood.

Shannon the Shooter.

Sniffles and sneezes are the concern of Virginia Stainbrook, campus nurse, who is shown here administering an antibiotic to Steve Hottinger.
