

Tech Track Squad Enters Four Meets

Hampered by inclement weather and a late spring, track and field men participated in only four meets during the season. Two were indoors in the Winter Shows arena. The first, a triangular with Northland and Fergus Falls, found UMC in second place. The Trojans won the second over Mesabi, Fergus Falls, Northland, and Rainy River. In the Mesabi Invitational, they gained a fourth position, and in the Northern Invitational at Northland, they also placed fourth. One Trojan qualified for the state, Tony Peeters, but did not participate.
