

Students Publish Annual and Paper,

Ruth Anne Stymiest
Information Services,
advisor to Commentator

With respect to all students and staff involved in college communications media, special thanks are in order to Mary Jo Coquette, Julie Henderson, and Bill Warner. Trojan '73 exists because they assumed the rigor of a late decision to produce the book.

Seated is KCUM station manager Verna Ford with instructor Jim Hodgson.

Sizing photographs are Commentator coeditors Curt Zimmerman and Mike Rindani.
