

## Host club greets visitors;

UMC's college choir and male chorus performed at various programs and banquets this year. The choir was composed of sixty students with Mrs. Al Croone as director. They presented a Christmas Concert and entertained at the Torch and Shield Awards honors banquet and commencement.

Other students developed their musical abilities

through participation in band. Tony Kuznik found time away from his administrative duties to serve as band director.

UMC's hosts and hostesses were on hand throughout the year to welcome visitors and conduct tours. Gail Johnson and Tom Feiro served as co-chairmen with Al Croone as advisor.
