

THE PLAY'S THE THING —

Energetic drama fans called the Trojan Players had a big season, starting in November with a melodrama, *THE DOCTOR AND THE DEVILS*, and concluding in May with an original play by UMC student, John Parker, *THE JUGGLER*. Their winter effort was two one-acts, *ZOO STORY* and *THE ADVENTURES OF NICK DANGER, THIRD EYE*. In March the players offered a dinner theater performance of *WINNERS AND LOSERS* at the Village Green. Alice Moorhead directed all plays.
