AN AGA-RAMA: '76 INNOVATION

What's an Aga-Rama? UMC had its first on January 30, a series of contests and demonstrations to promote ag activities. There were competitions in tractor driving, nail pounding, sawing, log chopping, crop and livestock judging — you name it; they had it. Winners in each category vied for Over-All Showman, an honor won by Bruce Endersbee, center bottom. A Todd Opsahl True Grit award, given to a student who best shows grit in his college years went to Jeff Kratochwill, an Aga-Rama organizer. Todd, in whose memory the award was established, died in the fall of 1975.
