

## THE BIG DAY FINALLY CAME

UMC conferred associate degrees on 150 candidates at commencement exercises May 21 on the mall. Fall and winter graduates were also honored. Featured speaker was Vice Pres. Walter Brunning of the University of Minnesota (Left), whose talk, "Food, Farms, and Famine: America and the Future", explored the present-day international food crisis.

Other speakers on the program included the Hon. Lloyd H. Peterson, regent, who brought greetings from the University Board of Regents; Eugene Dufault, president of the college alumni association; and Timothy Donovan, president of the Student Senate, who passed on the traditional torch to Harry Roers, new president. Provost Stanley Sahlstrom presided at the ceremonies.
