

# Winter Activates Dormant Students

A. Debbie Wallenta is bundled up and ready to challenge the cold. B. Provost Sahlstrom helps with the energy awareness program last winter by dialing down the thermostats. With some artistic measures, Mother Nature enhances the campus with a sparkling effect on the trees and the UMC sign. E. It was lots of fun on the ski trip last winter. F. It's off to the woods and the ability to stay on skis.
