Wrestling Cheerleaders From Right: Becky Gruhot, Christy Schermerhorn and Shari Sharp

Entering the season with a confidence, the UMC grapplers soon found the conference stronger than they left it the year before. Placing third in the conference, the team could not successfully defend their conference title. Still UMC was rated 51 out of 150 junior college teams nationally. High points of the season included five members qualifying for the Regional tourney. Kurt Oravet (Right) at 180# was champion in the Regional Tournament and Brad Erlandson (Above) at 126# placed third. Both were eliminated in the National tourney at Worthington.
