## Trojan Homecoming, Spirit Of 1976

Homecoming '76 proved to be an exciting weekend that students, alumni, and faculty will not soon forget. It provided the alumni a chance to come back and visit with their old friends. It gave the freshman students a look at what really having fun at UMC means. To the faculty it was an opportunity to see and talk to students from former classes. And besides, we beat Northland 45-0!
