"It has paid off." That was a comment made by a student at the conclusion of Ag-Arama '77. Ag-Arama, in its second year, is sponsored by the Ag Division. It was a day of ag-related events in which students had a chance to show off their skills in controlled competition. Highlighting the event was the crowning of the first Ag-Arama queen and the presentation of the Todd Upsahl Memorial award. Other awards in all phases of the competition were also presented.
