

Graduation Caps Exciting Year

Commencement exercises for 237 men and women were held on the UMC mall on May 20, 1977, under a brilliant sun. A large audience heard Kathryn Searight, V.P. for Consumer Affairs for Red Owl Stores challenge the graduates to "utilize your full potential." "Strive to be successful," she stated further, "by means of hard work and determination." "Try to do the best in life." Regent L.J. Lee of Bagley presented the diplomas to the graduates.
