

# Homecoming 1977 ....

Homecoming 1977 was a complete success. Queen Shari Sharp, returning alumni, eager students and faculty, and a brilliant sun cheered the Trojans on to victory. The festivities began with the coronation of Queen Shari by Provost Sahlstrom (top left) at a banquet where the jazz choir (center) entertained royally. The royalty (top right) included Becky Gruhot, Jan Loomer, Queen Shari, Chalice Soltau, and Sheila Torgerson.
