

United Kingdom Reciprocal Exchange Program (UKRE)

UMC presently has exchanged programs with three colleges in England. For the next academic year, three students have been recommended for participation and one faculty member has been accepted. All of the students are agriculture majors. **Top left:** Beth Gerhardson to Berkshire College of Agriculture for enrollment in veterinarian nursing program. **Top right:** Roger Beekman to Elmwood College of Agriculture and Technology in Scotland. **Bottom left:** Jerry Knutson, pictured with his family, for the UKRE professor program with Berkshire College of Agriculture, Maidenhead, England. **Bottom right:** Bill Bye to Berkshire College of Agriculture as UMC's official exchange student.
