

# Homecoming

Although Homecoming is a traditional event; each year is unique. Homecoming dates back to November 11, 1919 when it was combined with Armistice Day and the homecoming of the soldiers. It wasn't until October 18, 1924 that Homecoming was celebrated in connection with a football game. This marked the beginning of the tradition of the Alumni returning for Homecoming festivities.

Through the years queens have been crowned at coronation ceremonies to lead the event. The first King was elected in 1980. The King and Queen for 1981 were Gregg Engle and Kim Cooper.
