SIFE

SIFE is an international student organization involving over 500 colleges globally. The mission of SIFE is to provide college students the best opportunity to make a difference and to develop leadership, teamwork, and communication skills through learning, practicing, and teaching the principles of free enterprise. The organization is open to interested students of all majors.

The University of Minnesota Crookston Students In Free Enterprise Chapter completed activities throughout the State of Minnesota in Crookston, Minneapolis, East Grand Forks, and Ada, as well as in Winnipeg, Manitoba during the 1997-1998 year. The activities included projects with elementary students, junior high and high school students, college students, and various community service projects.

In April, UMC SIFE students competed at a regional exposition in Denver, Colorado.
