Collegiate FFA

The Collegiate FFAs main purpose is to help local FFA chapters with their chapter activities they participate in throughout the year. We also help at the Region, State and National level with FFA activities. FFA members help with the Region Fall Rallies, State FFA Convention contests as well as National FFA Dairy Contest. Each year CFFA members represent UMC at the State and National Conventions by displaying a booth. Last June, the CFFA members held the first annual CLOUD (Chapter Leadership Officer Utilization and Development) conference hosting FFA members from chapters around the State of Minnesota.

Active Members: Aaron Neumann, Amanda Jorde, Barb Heinze, Bonnie Haehnel, Byron Fischer, Chris Shulstad, Renae Henderson, John Roberts, Romalea Stillwell, Bill Neumann and Shawn Linder.
